J.S. BACH

Organ Works Vol. II

Robert Quinney organ

Recorded at Trinity College, Cambridge, on the beautiful Metzler Organ, this disc presents a number of virtuosic works from Bach's early years including one of the most famous pieces of organ music in the repertory – the *Toccatà and Fugue in D minor* (BWV 565), and the expressively potent *Passacaglia* (BWV 582). The album also features a number of works from the mid-1710s including the *Toccatà and Fugue in F* BWV 540 – a work that brilliantly demonstrates Bach's assimilation and mastery of various different styles and genres.
