**Berliner Philharmoniker (Sir Simon Rattle)** – and a stellar cast of soloists and two choirs: Rundfunkchor Berlin and Knabenchor des Staats- und Domchors Berlin  
Ritualization: Peter Sellars

This production premiered in Berlin in 2010 and was a huge success due to its unique ritualization by Peter Sellars, a performance where musicians are interacting in a very moving way, literally. Audience and press alike were overwhelmed by the experience which was described as ‘a prayer, a meditation’.

Language: German (with English subtitles)
